About Sarah

Sarah breaks the mould when it comes to the phrase 'jack of all trades and master of none' - she is accomplished across multiple skills. From fan zones to beach parties, effortlessly combines presenting with a high-impact DJ performance. A natural ability to read a crowd, Sarah knows how to adapt and keep an audience engaged. She doesn't just fill a room - she brings it to life!

AS SEEN WITH

> *"What I love about Sarah is that you know she delivers, every single time. Fan zones, corporate events, mass participation - regardless what the occasion is, she brings the event to life in the most appropriate way. It's rare to find someone who can DJ and present to the same high standard. Give her a brief, she will knock it out the park - always."*
